- [H4] Blubrry WordPress Site Included
- [H4] Every hosting plan includes a free, optional, managed WordPress website. Designed to provide essential tools to podcast and a stress-free site management experience. Having your own website is crucial in building your brand. With this site, build your own organic search results (SEO) and make it easy for your audience to find your show and listen. All Blubrry WordPress sites utilize our PowerPress plugin to easily publish directly to your site and all destinations and directories at once.
- [H4] Podcast Landing Page Included
- [H4] Not interested in a website for your show? We provide a free, simple landing page that gets right to the point; a quick show description, and the ability for people to listen and subscribe. Similar to how your show is listed in podcast directory apps, they can easily find you in our podcast directory. Best of all, you don't even have to set anything additional up, it auto-generates when you post an episode and uses your podcast title and description automatically, so you can share your podcast landing page wherever you'd like.
