## SEO Content

	Title	What are Binary Options and How Do They Work? <b>Length : 45</b> Perfect, your title contains between 10 and 70 characters.												
	Description	First is the strike price. This price level determines whether an option expires in the money or out of the money. Second is the date and time of expiry. With binary options, expiration can be as short as a few minutes and as long as several months. I am going to list some of the advantages as well as disadvantages of trading binary options. <b>Length : 343</b> Ideally, your meta description should contain between 70 and 160 characters (spaces included). Use <a href="#">this free tool</a> to calculate text length.												
	Keywords	what are binary options and how do they work Good, your page contains meta keywords.												
	Og Meta Properties	This page does not take advantage of Og Properties. This tags allows social crawler's better structurize your page. Use <a href="#">this free og properties generator</a> to create them.
