		<p>yahoo.com, ...)?” If both the regular emails and anonymous emails are completely free, then, “What’s the difference?” you might ask. When you register to get a regular email, you will need to provide personal information. However, using a temporary email you don't need to do it. A regular email address will never delete your emails, while all the letters will be automatically deleted after an hour when you are using a temporary email. A regular email can't be completely removed. On the other hand, disposable email gives you this option without any problems.</p>
