I followed the Facebook instructions to reactivate the account, but Facebook never responded. Hacked.com gave me immediate expert assistance, spent a great deal of time pinning down the problem, and provided a high level of professionalism and service that most companies today can't even dream of. And Hacked.com did what was needed to help me to keep in touch with my 160,000+ friends on Facebook. I'm grateful, and I wish that Facebook would put Hacked.com in charge of its customer service.
