|  | Encoding | You have not specified the document's charset. Use this free meta tags generator to declare document's charset. |
|  | W3C Validity | Errors : 204 Warnings : 14 |
|  | Email Privacy | Warning! At least one email address has been found in the plain text. Use free antispam protector to hide email from spammers. |
|  | Deprecated HTML | Great! We haven't found deprecated HTML tags in your HTML. |
|  | Speed Tips | <ul style="list-style-type: none"> Attention! Try to avoid nested tables in HTML. Too bad, your website is using inline styles. Great, your website has few CSS files. Perfect, your website has few JavaScript files. Too bad, your website does not take advantage of gzip. |

Mobile

| | | |
|-------------------------------------------------------------------------------------|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Mobile Optimization | <ul style="list-style-type: none"> Apple Icon Meta Viewport Tag Flash content |
|-------------------------------------------------------------------------------------|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Optimization

| | | |
|-------------------------------------------------------------------------------------|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | XML Sitemap | Missing Your website does not have an XML sitemap - this can be problematic. A sitemap lists URLs that are available for crawling and can include additional information like your site's latest updates, frequency of changes and importance of the URLs. This allows search engines to crawl the site more intelligently. |
|  | Robots.txt | http://midhudsonmlshomes.com/robots.txt Great, your website has a robots.txt file. |
| | Analytics | Great, your website has an analytics tool. |
