SEO Content

	Title	NFT ART DROP Length : 12 Perfect, your title contains between 10 and 70 characters.
	Description	<p>Recovery Inspired Art Created With The Blood, Sweat, and Tears From The Hell That Is Addiction Addiction affects us all. Addiction is not something we choose. Addiction is using alcohol, drugs, sex, shopping, food, etc, to cope with our extreme emotions. Addicts are not addicts for fun or for the high. Addicts are addicted because they are using these substances to kill the pain. It can be from childhood abuse, rape, bullying, or even the same treatment we receive as adults. We are taught from a young age that when you are in pain you can simply pop a pill, but our pain never goes away. Addiction is like having your hand on a hot stove and the only thing that can give you any relief from that searing pain, is to use your drug of choice. Addicts need more than detox, more than rehab. Many need years of therapy, as well as compassion, love, and acceptance. Things we never get from the world that only judges our surface. So we keep searching. Most of us die from our addictions on that path, never knowing real love, not only from others, but love for ourselves. Our dream is to reach out and help addicts in need. Everyday with your help and understanding our dreams become a reality. We feature unique NFT are inspired but our experiences. New art will be dropped each week. Even if you don't purchase any of the art here today, just reading these words and understanding our battle may one day help somebody you love, or even yourself. If you need help please reach out. You are here for a reason, take your pain and use it like a superpower. Get sober anyway you can and then use that superpower to help others shine like a diamond. Solitary Isle</p> Length : 1680 Ideally, your meta description should contain between 70 and 160 characters (spaces included). Use this free tool to calculate text length.

Robots.txt

Missing

Your website doesn't have a robots.txt file - this can be problematic.

A robots.txt file allows you to restrict the access of search engine robots that crawl the web and it can prevent these robots from accessing specific directories and pages. It also specifies where the XML sitemap file is located.

Analytics

Missing

We didn't detect an analytics tool installed on this website.

Web analytics let you measure visitor activity on your website. You should have at least one analytics tool installed, but It can also be good to install a second in order to cross-check the data.
