OpenDrive now helps you to not only store data, but also sync, share and collaborate all within one interface and from one login. We are happy to see nearly 2M users benefit from this idea so far.• [H5] Taking notes when something comes up is crucial for any number of business and personal needs. We feel that taking notes and keeping them organized can make everyone more productive.and of course it helps us to not forget things.• [H5] OpenDrive is a company that operates 100% in the cloud, and as a result, the need arises for project management that supports this type of collaboration. Most businesses today work with people in different places and they need to share ideas, tasks and files in the cloud. We created a cloud based office suite with features that do just that. Please let us know how you like it.
