Things begin to look brighter with only one month left for The White Door. And we hope you are as excited as we are! The game is completely different than anything we have made so far and we had to overcome a lot struggles with the development of the game: the new style, the topdown view, the puzzle mechanics, the absence of an inventory and the way of telling a story. But the last couple of months we are becoming very proud of what we achieved and we cannot wait to let you enter The White Door. But first there are still a lot of bugs that needs to be fixed...
