## SEO Content

	Title	Binary Options 120sec Strategy Forex Factory <b>Length : 45</b> Perfect, your title contains between 10 and 70 characters.												
	Description	In my humble opinion trade with binary options is less profitable than forex. In forex you can win with a 20% of winner trades cause your profits are unlimited if you know how manage it. In b.options you start from a negative r:r and you need at least a system with a minimum 60% or winning trades. <b>Length : 298</b> Ideally, your meta description should contain between 70 and 160 characters (spaces included). Use <a href="#">this free tool</a> to calculate text length.												
	Keywords	forex factory binary options Good, your page contains meta keywords.												
	Og Meta Properties	This page does not take advantage of Og Properties. This tags allows social crawler's better structurize your page. Use <a href="#">this free og properties generator</a> to create them.
