description

So, what is this about exactly, and who am I? My name is Amy. I have been a member of the War Room on the Warrior Forum for several years. I have lurked, I have bought COUNTLESS WSO's, and I have learned a lot. After getting some FABULOUS WSO's, and some not so stellar ones, I decided it would be fun to do some reviews. Then, I decided I would do reviews on everything I like. And I like a lot of things! I like WSO, SEO, video marketing, social signals, gadgets, fitness, health, nutrition, make up, designer clothes, purses, and high heels. :) So, here it is, sexy geek reviews!! All things geek and girly! I talked to my husband and he said he would join me! So, you may see him drop a review on things he finds 'sexy'. And though he does enjoy the local baristas, he will probably stick to product reviews! :) We are local gym owners in a small town, and we hope you find these reviews and resources helpful. We are mostly just doing this for fun!
