Optimization

	XML Sitemap	Missing
~		Your website does not have an XML sitemap - this can be problematic.
		A sitemap lists URLs that are available for crawling and can include additional information like your site's latest updates, frequency of changes and importance of the URLs. This allows search engines to crawl the site more intelligently.
\bigcirc	Robots.txt	http://winchelsea.me.uk/robots.txt
		Great, your website has a robots.txt file.
\bigotimes	Analytics	Missing
		We didn't detect an analytics tool installed on this website.
		Web analytics let you measure visitor activity on your website. You should have at least one analytics tool installed, but It can also be good to install a second in order to cross-check the data.
